## SET SUBJECT COMPETITIONS

### Nov '11 - Proverbs.

*Image based on a proverb from the list on the web site. State the proverb on back of each entry.*

### Feb '12 - Inspired by...

*How you are influenced by an artist? Maybe we would photograph a person in that classical "David" pose in a modern environment or everyday situation. Photographically, the entrant should recognize their own influences and identify a photographer (or artist) and replicate the style (not the image). Placing a 6X4 print on the back of the print would enhance the message.*

### Apr '12 - Reflections

### Jun '12 - Self Portrait

*Someone else may push the shutter when you say to, but they must not make any other contribution to the image.*

### Sept '12 - Sport

*In a sports mad city, any sport will do.*

### Nov '12 - Shadow

### Feb '13 - Club Activities

*Images must have been taken on any club activity in the preceding 12 months.*
